**RE: Ravalli County Grant Application - Montana Land Information Act  
Fiscal Year 2008**

Please allow this letter to serve as support for our grant application to the Montana Land Information Act (MLIA).

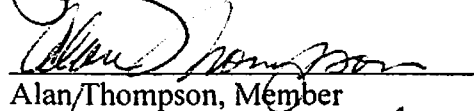

We recognize that an accurate GIS cadastral data theme is beneficial to the success of all county departments for the fulfillment of their duties and functions. Our county has shown commitment to the Ravalli County GIS program by establishing a stand-alone GIS Department, allocating funds and other resources.

Filing fees within the Ravalli County Clerk & Records Office have helped to add to MLIA funding, and we ask that a portion of those fees are returned to our county for this important project.

If we can be of other assistance, please feel free to contact our office at the above number.

Sincerely,  
BOARD OF RAVALL COUNTY COMMISSIONERS

  
Greg Chilcott, Chairman
